

**Title: Lent 5 - Conversations that Unbind Us, Focus Passage: John 11:1-45**

*It seemed as if there was death, yet Jesus saw there was life; the valley of dry bones.*

**Call to Worship** (from Ezekiel 37:1-14)

*One: We come to worship with minds still caught up in the everyday routine.*

**All: You, loving God, breathe new life into us.**

*One: We come to worship and bring with us disturbing thoughts and conflicting ideas.*

**All: You, loving God, breathe new life into us.**

*One: We come to worship doubting and questioning.*

**All: You, loving God, breathe new life into us.**

*One: We come to worship searching for your Word, open to a new way.*

**All: You loving God, breathe new life into us.**

*One: We come to worship uncertain and disjointed, ready to find connection.*

**All: In worship, you, loving God, breathe new life into us.**
